LOVE SHACK

Dear *Mayfair*,
Paula and I have been together for two years and, as a kind of anniversary present to ourselves last year, we booked an exotic holiday in Barbados.

It was a plush resort, spread over a beautiful area of coastline, and cost a fortune, although we may as well have been in Clacton, the amount we saw of it, as fucking each other silly was the only 'activity' we were interested in signing up for!

On the second evening though, we thought we'd go and sample some of the delights on offer and ended up in a secluded open-sided bar overlooking the sea.

After knocking back a good few Mojitos and constantly stroking Paula's temptingly tanned thighs, I was pretty keen on getting my tongue buried in that gorgeous pussy of hers. The fact that Paula could tickle the tip of my cock by slyly running her hand up the leg of my shorts only added to my desire to fuck her.

We were just about to head for our chalet when the heavens opened and it began to pour down. The bamboo roof was no protection from the onslaught and the bar, en masse, legged it for cover.

As soon as they had disappeared into the darkness, Paula pulled me to her and shoved her tongue into my mouth, pressing her large firm breasts against my chest as the rain cascaded down over us.

I pulled Paula's already soaking sarong open and cupped her naked twat in the palm of my hand. Paula delved down the front of my shorts and dragged my cock into view.

I already had one finger in her pussy but added a second as she gripped the shaft of my dick and began to wank me slowly. Her long dark hair was matted sexily down her face and over her shoulders as the storm continued and I deftly flicked open the catch of her bikini top so her fantastic tits completed the horny vision before me.

I worked my fingers deep into her tight fanny as I watched the rain pour over the curves of her boobs, the nipples jutting out further than I'd ever seen them.

I bent and sucked one solid teat into my mouth, the water making it even juicer than normal, as Paula pushed her tits together so I could get my lips around both nips at once.

I pulled my fingers out of her sodden twat and knelt between her parted thighs, pushing my tongue straight up inside the folds of her glistening hole.

Paula moaned and opened her legs wider, holding my head against her crotch and grinding her twitching fanny hard against my face. I lapped at her juices, gripping a slippery wet breast in each hand as I slurped loudly on her nectar filled cunny.

The storm continued but the slim chance someone could be out in it, watching us having sex against this bar made my dick throb with lust, especially when Paula let out a loud grunt and came in my mouth, her legs quivering as the orgasm crashed through her body. Paula has always produced copious amounts of love juice when she's aroused, but nothing prepared me for the torrent that had me gulping in order to swallow it all.

Thrilled by my idea of a voyeur in the darkness, I turned Paula around and bent her forward over a barstool so her curvy arse was sticking up in the air. Aware how horny this view would be, I parted the cheeks of her butt and tickled her tiny arsehole with my finger, her skin glistening in the moonlight as the rain ran in rivulets down the crack of her rear.

Leaning over my girl, I groped her breasts again as I began to pump her sodden hole.

The downpour cooled us both as I hammered inside her, using her tits like handles for leverage as the sap started to rise in my balls and I knew I was about to unload.

> "PAULA LET OUT A LOUD GRUNT AND CAME IN MY MOUTH, HER LEGS QUIVERING…"

The rain started to ease as I pulled out of her, spurting a huge jet of spunk into her arse crack.

Paula managed to scramble around just in time to catch the next load on her chin and open mouth. I was so excited, I managed to splatter her tits with a few more dollops of my seed as we heard voices coming from the darkness. Hastily covering up, we leant on the bar as if nothing had happened, just as the barman returned.

"Good show," the barman said with a broad smile, sliding a couple of large cocktails across the bar to us as we sat there drenched and still slightly out of breath.

Paula and I both blushed. "You guarded my takings," he explained, opening the till to reveal a stack of cash.

We'll never be sure if that really was the 'good show' he was talking about or not, but it's certainly made our holiday memories a little more extra special!
Andy, Colchester.

CHEERS CHIK!

Dear *Mayfair*,
What a sight for eyes it was to see Chikita, one of my all time favourite *Mayfair* girls, make a long overdue reappearance in your latest issue! Those unmistakable boobs are just as fine as they ever were, and I can't be the only one who things she still deserves a regular airing, even if a decade or so has passed since her initial glory days. The four pictures of her you feature on page 16 highlight her beauty perfectly, and if she looks like this in her 30s, we deserve to see plenty more of her!
Alan, Leeds.

Well Alan, she does still look magnificent, doesn't she? And she's one of the loveliest girls we've ever featured, so we'll do what we can to get her back again before too many moons have passed. – Ed.

HOLLY JACK TA!

Dear *Mayfair*,
I don't know how all these rules about social distancing effect shooting models, but I can't imagine it makes things any easier. In light of that I just wanted to say a big thank you for helping to make the months of lockdown we've had to go through bearable with you're unfailing ability to present the tastiest girls on the planet doing their thing! 55.05 featured the customary collection of crackers, with my personal fave Holly Gibbons vying with relative newcomers like Kiki and Elle, as well as veteran trouser-tenter Chikita for top spot.

Keep up the good work, and pass my thanks on to all your models for doing their bit to keep me sane all this time!
Jack, via email.

COLLEGE DAZE

Dear *Mayfair*,
This must be a hard time for people heading off to Uni, so I thought I'd share a memory from my first term a few years back. To begin with it was a real culture shock for me as I'd never lived away from home before and suddenly, having to fend for myself in a house with three other students was certainly an eye-opener, especially when it came to sex!

Hurrah – it's time to introduce another *Mayfair* newbie! This 22 year old hottie goes by the exotic name of Atlanta Moreno and, it seems, is rather turned-on by the thought of appearing in the mag…

"Too right I am! I've always had quite a strong exhibitionistic streak, so knowing I'm going to have all your readers gazing at my body is incredibly exciting!" she enthuses.

Well, in that case it's a win-win situation, isn't it, because we're damn sure our readers will be excited by the prospect as well – especially when they've clocked that magnificent bum of yours and your wonderfully flexible poses!

PLUS:

Dear *Mayfair*,
It sounds like Mark from Croydon has been a bit luckier with his lockdown housemates than I have (letters 55.04). I too share a house with a fit girl and another bloke, but unfortunately for me they were already a couple, so I've spent seemingly endless nights lying alone in bed while they energetically entertain each other in the next bedroom! I don't usually mind because I've had a fair bit of luck with the ladies myself, but the enforced barren spell has been unbearable! At least I've had *Mayfair* – and the thought of Katie bouncing up and down on Glen's cock no more than 6 feet away – to help me ease the tension, but I don't know how much longer I can hold out!
Stu, Stratford.

I was sharing with one other lad and two girls and although I'd had the odd shag before, I'd never been so close to females on a daily basis.

Pam is blonde, Georgie is brunette and they are both fucking fit so for the first few days I walked around the flat trying to hide a permanent erection, as both girls were totally uninhibited and seemed to enjoy teasing Dave, my male roomie, and me by wandering about the house half-naked.

On the second weekend, we had what Georgie called a 'Get to know each other better' party. Pam cooked a load of pasta and we all got pissed, chatted, and listened to each others' favourite music.

At some point the girls disappeared leaving Dave and me drunkenly playing computer games… but they got our undivided attention when they returned!

Both girls had stripped down to their underwear. Dave and I glanced at each other in amazement as Georgie wiggled over to my chair and dropped into my lap, while Pam did the same to Dave.

My dick throbbed as her plump pantie-covered arse pressed down onto my crotch and her petit tits encased in a pink lacy bra squashed against my chest. Georgie ran her fingers through my hair and wriggled her bum hard all over my growing prick.

"Mmmm, now it's time to get to know your cock a bit better" she whispered, and put her hands between her legs and unzipped my jeans. Nervously I placed my arm around her waist but Georgie lifted my hand straight up to her breast. I could feel the rigid nipple pushing through the lace and delved inside, cupping the soft flesh of her boob, as her fingers reached my dick.

I looked over at the others and Dave was sucking and slurping on one of Pam's large fat tits as she sat straddling his crotch. I could just make out his hand down the back of her knickers and decided to copy him.

Georgie had other ideas and clambered off my lap, kneeling at my feet as she gently wanked my cock. I opened my legs and she leant forward, tickling the tip of my knob with her tongue before lowering her mouth all the way down the shaft to my balls. Fuck! I'd never been deep-throated before and the sensation of my prick being embedded down her throat nearly made me come there and then. Seeing Pam swap positions with Dave and her lift her legs up high so he could pull off her panties didn't help my risk of premature ejaculation any!

Luckily, Georgie sensed this and stood up, yanking down her own damp briefs. I stared at her pussy lips and grasped my dick as she rubbed her hand roughly between her thighs and came around to the side of my chair.

Her fanny was level with my face and she kindly spread her cunt lips with her fingers, before pushing her mound towards me, making it obvious what she wanted. I obliged and slipped my tongue into her wet twat, savouring the strong taste and musky scent of her juices. Georgie moaned and ground her muff against my mouth as I slid a finger into her love tunnel as well for good measure.

Out of the corner of my eye I could see Dave was now lying on the carpet, his trousers around his ankles and Pam's gorgeous rounded arse was bouncing up and down on his cock.

Georgie obviously noticed as well, pulling away from my probing tongue and finger before gesturing for me to lie beside Dave on the floor. I did as I was told and watched as Georgie straddled my dick and fed the tip into her tight hole before sitting down and burying my tool completely inside her.

As the girls jigged up and down, Pam reached over to grab one of Georgie's tits, squeezing the nipple as the girls began to snog each other. I groped Georgie's arse and Pam's breasts while Dave helped himself to other parts of their bodies. Seeing the two girls kissing was too much for me, and my dick exploded up Georgie tight pussy. She giggled and expertly twitched the muscles of her pussy around my shaft to draw the spunk from my balls. Jet after jet of seed fired up her squelching tunnel and when she lifted her twat clear of my still pulsing meat, the gooey mixture of sperm and fanny juice poured out of her hole.

As I lay panting on the floor, Georgie swapped places with Pam on Dave's prick, while Pam lowered her sodden gash straight onto Dave's face. I could hear him slurping on her pussy as Pam shuddered with pleasure and climaxed into his mouth. Georgie grabbed her flatmate's tits as she came and bounced harder on Dave's dick. He grunted loudly as he also reached orgasm and squirted Georgie full of his cream.

Watching this filthy display had brought my cock back to life and Pam eagerly took advantage, clambering off Dave's face and sitting on my rigid dick instead, before pulling me on top of her so I could properly drill her sopping slit.

This set the pattern for the night with each of us getting turned on by the others, and us lads taking it in turns to empty our balls in or over one or other of the girls.

It never happened again after that night. Apparently the girls had decided to get any 'fucking your housemates' out of the way early so that there'd be no sexual tension later on. It was one lesson at Uni I was very happy to learn!
Ben, Warwick.

Baking became quite the hot hobby during lockdown, didn't it? I'm not sure why that should be – do people who are stuck at home crave more cakes and buns than usual? Either way, Molly doesn't quite seem to have got the hang of things at all, does she? She's never going to make it through to the later rounds of *Bake Off* if all she can manage to do is whisk an empty bowl while taking her clothes off, no matter how much Pru and the gang might admire her body while she's at it. Still, given that we were never going to be able to sample Molly's buns, this performance in the kitchen will do us just fine!

TECH'S APPEAL

Fancy some now tech gubbins to brighten things up as we continue to creep cautiously out of lockdown? Well don't go splashing out till you've read the *Mayfair* lowdown!

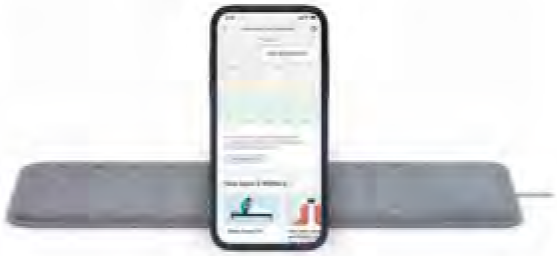
MOTOROLA **MOTO G 5G PLUS**

★★★ EDITORS PICK

We've all been hearing plenty about the 5th generation of mobile phone technology (that's 5G, sports fans) – swivel-eyed conspiracists maintain it causes Covid-19, which it doesn't, while security experts fear that if Huawei have an involvement in the UK network it might leave us vulnerable to cyber-attacks from China, which might be true. Either way, 5G itself is basically 4G but better – allowing super fast streaming and downloading (potentially up to a whopping 20GB a second, although God knows quite what you'd do with that sort of capability, other than download multiple HD films at once). If nothing else it'll mean you can stream things like iPlayer and Netflix when you're out and about. In a nutshell, then, it's fast – but to access it you'll be needing a new phone, which is where the crappily named Moto G 5G Plus from Motorola comes in. Given that 5G's the hot new ticket, phones that can handle it are on the rather pricy side, but a quick glance below will show you that the Moto G 5G Plus can be had for a pretty reasonable £300 or so, which is half to a third of the price of most of the alternatives (the Sony Xperia 1 II clocks in at a whopping £1,099). Needless to say that means the Motorola isn't quite top notch when it comes to the specs, but it's still a nifty phone that boasts a sizeable 6.7 inch screen that's perfect for making the most of all those flicks you'll be streaming on the train (assuming you ever venture onto a train again, that is). Admittedly that's quite a handful for anyone with smallish hands, but thankfully it errs on the long rather than the wide side, so it's no too unwieldy if you're just using it as a blower. The main reason it's so long is that there are two front facing cameras on either side of the screen, as well as 4 more cameras on the back. Now whether a phone needs 6 cameras is a bit moot, but the variety on offer (48MP, 8MP ultra-wide lens, 5MP macro and a 2MP depth-sensing lens on the back, and a selfie and wide lense selfie for group pics on the front) covers plenty of eventualities. The cheaper model boasts 4GB of RAM and 64GB of data storage, or for another £50 you can bump that up to 6GB RAM and 128GB of storage, which should keep you going!

PRICE: FROM £299

WITHINGS **SLEEP ANALYZER**



Sometimes you can't help thinking that every single aspect of your life is now being monitored and digitally stored somewhere, from what you bought at the supermarket to which of those dodgy sidebars that pop up on your computer you 'accidentally' clicked on, meaning you're now being bombarded with adverts for all sorts of unmentionable perversions. The only way to avoid it all, surely, is to take to your bed... except there's plenty of monitoring going on there as well – assuming you've got one of these, that is. Still, it's not the sort of thing that'll keep you awake at night, because it's designed to be as unobtrusive as possible – the mat is a mere 5mm thick and once slipped under your mattress, is pretty well impossible to detect – unless you're descended from that famous princess who couldn't drop off thanks to the pea. As far as your sleep patterns go, the mat (once plugged in, set up and synced to your Withings account, which won't take long) will tell you how well you dozed, when your sleep was interrupted, how long it took you to nod off and even how long it took you to get up after you've woken. On top of that it'll measure your heart rate throughout the night, which is interesting to compare over time if you're exercising, or drinking less (or more!). And perhaps the most useful function is the snoring and sleep apnoea tracking, which'll let you know if there's anything you need to worry about in the irregular breathing department during your slumber. You can even run two at the same time under a double bed.

A woman brought a very limp duck into a veterinary surgeon. As she laid her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest. "I'm so sorry," he said, "your duck has passed away."

The distressed owner wailed, "Are you sure?"

"Yes, I am sure."

"How can you be so sure?" she protested. "I mean, you haven't done any testing on him or anything. He might just be in a coma or something."

The vet rolled his eyes, turned around and left the room, returning moments later with a black Labrador.

As the duck's owner looked on in amazement, the dog stood on his hind legs, put his front paws on the examination table and sniffed the duck from top to bottom. He then looked at the vet with sad eyes and shook his head. The vet patted the dog and took it out of the room, and returned a few moments later with a cat. The cat jumped up on the table and also sniffed delicately at the bird from head to foot. The cat sat back on its haunches, shook its head, meowed softly and strolled out of the room. The vet looked at the woman and said, "I'm sorry, but as I said, this is most definitely a dead duck."

Then the vet turned to his computer terminal, hit a few keys and produced a bill, which he handed to the woman. The duck's owner, still in shock, took the bill.

"£150!" she cried. "£150 just to tell me my duck is dead?"

"Sorry but if you'd taken just my word for it in the first place the bill would have been £20, but what with the lab report and the cat scan, it's now £150."

A microwave won't brown your sausage.

Two work friends are in the office *(Blimey – that dates this joke a bit! – Ed.)*, chatting, when this girl passes them and goes into the toilet.

Terry says, "She's nice."

Ben says: "Well why don't you, go over and give her the patter, then?"

"The patter?"

"Yeah, you know – the patter."

"I don't know any patter – I've never found it very easy to talk to girls."

"For crying out loud," says Terry, "it's simple – all you gotta say is, 'hello' and she'll say, 'hello'. Then you say, 'it's a nice day, isn't it?' then she will say, 'yes it is,' then you say, 'but not half as nice as you!' Then the patter will just flow from there. Look there she coming back out of the toilet, go and give it a go."

So off Terry goes, ready to give it a try.

"Hello." he says.

"Hi," she says back.

"Nice day, isn't it?"

She says, "Yes it is."

"But not half as nice as you!" says Terry. There then follows a ten second period of total silence.

Finally he says, "Been for a shit, then, have you?"

After her fifth child, Maria decided that she should have some cosmetic surgery on her gash to restore herself to her former youthful glory. Time and childbirth had taken their toll, and after five kids she figured she could do with some tidying up down there.

Following the operation she awoke from her anaesthetic to find three roses at the foot of her bed.

"Who are these from?" she asked the nurse.

"Well," said the nurse, "the first is from the surgeon – he's a bit of a charmer and likes to take care of his female patients."

"Ah, that's really nice!" said Maria.

"The second is from your husband – I think he's very excited about all of this..."

"Brilliant!" said Lucy. "And the third?"

"That's from Dan in the burns unit," said the nurse. "He just wanted to say thanks for his new ears!"

One of the lesser reported aspects of this lockdown is the effect it's had on man-mad Mia's social life…

"Ha, well I'm perfectly aware that other people have had it much worse than me. I've got a couple of friends who are nurses and I can't imagine what it's been like for them, but I've certainly missed the nightlife these last few months. You can't beat the thrill of picking up some hunky new fella for a night of fun in the sack – and I've definitely missed out on that lately."

Terrible. And our heart goes out to all the hunky fellas who've missed out as well.

going to hurt you, You

Now unless I'm mistaken, this is the first time we've seen Kayleigh since she made her debut in the mag all the way back in Volume 53, which seems a bit remiss, given how staggeringly hot she is! No wonder she's looking a bit moody here…

"Ha, I always look a bit moody! I've found that men like me to dominate them, and I have to say I enjoy it as well. There's one guy who loves to lick my pussy who I've never actually let fuck me – the worse I treat him the more he seems to love it!"

Good for him, although we're not sure how he hasn't exploded yet!

If you can cast you mind back a few months (although given everything that's happened since, it feels like an age ago!) you'll recall that we kicked off the first issue of volume 55 with the luscious Sophie B, a newbie from the West Midlands who couldn't have given 2020 a better start. Unfortunately this year's turning out to be quite a bit crappier than anyone could have imagined, so we thought another peep at the Brummie babe's bodelicious body might be just the thing to raise everyone's spirits. It's certainly perked everyone in the office up, and now we've had a second opportunity to cast our eye over her, we couldn't help thinking she deserved a centrespread – so here it is!

Feeling brave enough to come out of lockdown yet? No, me neither, so thankfully there are loads more interesting releases for your home entertainment delectation!

THE PERSONAL HISTORY OF DAVID COPPERFIELD

Dickens adaptations seem to have fallen out of fashion a bit in recent years. Once upon a time you'd get a big budget TV production every other Christmas or so, while the cinema of yesteryear is packed with some timeless versions. Perhaps the old versions are so revered that producers are wary of having another go. Either way, we're glad Armando Iannucci managed to get this past any obstacles, because this David Copperfield's a cracking re-take on the original tale, with Dev Patel in the lead role. But is he the hero of his own story? Well, with a supporting cast that includes the likes of Peter Capaldi, Tilda Swinton, Ben Wishaw and Hugh Laurie (as a marvellously bonkers Mr Dick) he's got his work cut out. It plays a bit fast and loose with the book (Barkis is not so much willing as totally missing altogether, while Dora doesn't get much of a look-in) but for all that it's hard to resist the verve and visual flair in this interpretation of Dickens's most self-autobiographical tale.

CRISS CROSS

Eureka video continue their rummage through the golden age of Hollywood film noir with this lovely release of the 1949 classic that saw Burt Lancaster cementing his reputation as one of the great leading men following *The Killers* three years earlier. Lancaster plays Steve Thompson, a security van driver who's still carrying a torch for his ex-wife (it's Yvonne DeCarlo, so who can blame him?). Unfortunately she's now married to shifty hood Slim Dundee (Dan Duryea). When he catches them together, things start to unravel for Steve who, thinking on his feet to get out of a scrape, pitches a plan to hold up his own security van. Well, these things never work out well in films, do they? and Steve's lapse in judgement ends up having deadly consequences. Lovingly restored in 4K and with new commentaries, this is top notch noir.

CODE 404

Buddy cop shows have been a staple of the small screen for decades, so it's a ripe genre to have a bit of fun with – and this Sky series certainly does that! It stars two very familiar faces (Daniel Mays and Stephen Graham) as a crime-fighting duo with a difference in that DI John Major (not to be confused with the ex-Prime Minister) is killed on the job. Rather than bringing him back as a ghost, *Randall and Hopkirk*-stylee, his body is patched up and given a new Artificial Intelligence brain and he's put back to work. 'So how's that funny?' I hear you ask. Well, the thing is the new AI version of Major hasn't got the crime-fighting gumption of his original self, with Graham's DI Roy Carver having to pick up the pieces of his hapless colleague's blunders and somehow get the villains nicked while distracting Major from his ex-missus. Seriously, it's funnier than it sounds!

THE LUMINARIES

Books that win the Man Booker prize tend to be a bit on the literary side, so adapting them for the screen isn't likely to be a piece of cake. Well, Eleanor Catton's book did win the Man Booker and was anything but a straightforward piece of narrative, so it was a bold move to turn it into this six-part drama, which aired on the Beeb last month. Eve Hewson plays Anna, a young, single woman who, having fled her past in Blighty, we first meet as she about to disembark in 1860s New Zealand, lured by the gold rush there. She meets fellow passenger Emery Staines (Himesh Patel) and it looks like a romance is about to blossom… until Anna's ensnared by a nefarious salon owner (and clairvoyant). Things go from bad to worse, and instead of striking gold Anna ends up an opium-addled prostitute with a murder rap hanging over her as time and again she seems to make exactly the wrong decision. Is there some sort of master plan at work… or is it all just fate? With flashforwards and backs a-plenty, it takes a bit of following, but it's classy and intriguing telly.

LUMINARIES

MR VAMPIRE

Here at *Mayfair* we've got rather a hard spot for flicks that are a bit off the wall, and they don't get much further off it than Ricky Lau's 1985 comedy horror, which is a definite must see for any fans of Hong Kong cinema and which went on to spawn several sequels and imitations. Lam Ching-yang plays a master of the supernatural who, assisted by a couple of hapless sidekicks, digs up a body that, much to everyone's surprise, turns out to be a vampire – and a hopping vampire at that! Well, what do you do to combat a hopping vampire? They clearly have about as much of a clue as you or I would, but the race is on to do away with the undead threat before things get even more out of hand. The whole things utterly bonkers but totally irresistible – one of those films that, once seen, is never quite forgotten!

WALKABOUT

There's no two ways about it – Director Nicolas Roeg knew how to make a strikingly memorable and unsettling film, lensing three corkers in quick succession with *Don't Look Back, The Man Who Fell To Earth* and this in the 70s. They're all visually breathtaking in their own way, but it's probably with this film that Roeg really got to show of the chops he'd learnt as cinematographer for the likes of David Lean (on *Lawrence of Arabia*) and John Schlesinger (*Far From The Madding Crowd*). *Walkabout* sees two children (Jenny Agutter and Luc Roeg) stuck in the middle of the outback and facing what looks like impossible odds of surviving… until they encounter an aboriginal lad (David Gulpilil), who shows them how to live off the land. Things go well enough at first, but the eerie tone doesn't bode well for the youngsters and… well, you'll have to watch it to find out. The real star of the film is the landscape itself, which looks more vibrant than ever in this dazzling 4k restoration, with tons of extras.

Photographer: Dazglam

Music fans of a certain vintage might just have been aware that June 12th marked the 50th anniversary of the Kinks' great hymn to the joys of transvestite encounters. That's right, 50 whole years! So we thought we'd ask Lola here what she thought of the song, seeing as she shares it's name…

"Well, I loved the song growing up – who wouldn't like such a great song when it shares your name? When I was about 15 somebody explained to me that the Lola in the song was a transvestite, which was a bit of an eye-opener for me, I can tell you – but I still love it! I'd like to think nobody would mistake me for a bloke…!"

Not much chance of that, Lola!

VICTORIA VOXXX
BELLA ROLLAND
BRITNEY AMBER
BUNNY COLBY

Poor Bunny Colby (no relation to our snapper Steve, as far as we know) is going through a rough patch with her fella, Ryan. Perhaps a bit playing around will help them work through things? Mind you, it's their mates who kick things off, with cute brunette Victoria and her bearded beau first out of the traps for a very nicely shot coupling that sees him plundering her shaven snizz before sending an arc of harry cascading over her back. Victoria has a date with shaven-headed Derrick, but they don't hit it off, and instead we're treated to a scene in which he takes on Bella, who goes bonkers as she gets a balling. A nicely energetic pairing, with Derrick clearly into the whole thing just as much as Bella. Lucky old Ryan hits it off with Mayfair favourite Britney Amber next – she's clearly impressed that he's an architect, and rewards his career choice with a feast on her furry flange and the sort of knee-trembler not many of us would forget in a hurry. Finally the lovers are reunited and celebrate in time-honoured style.

CAST
BRIDGETTE B
EMILY WILLIS
AUBREY VALENTINE
VANESSA SKYE

Given that she's got such a heavenly body, Bridgette B's perfectly cast as a televangelist who, along with her partner Xander, like to dupe their viewers out of their cash and their followers out of their underwear. When impressionable acolytes Emily and Aubrey rock up it doesn't take long for the two innocents to be corrupted. Fist off Bridgette pairs up with Emily for a very striking lesbo scene, in which Emily's tiny tits contrast nicely with her hostess's more generous baps. No toys, but plenty of scissoring and snizz-snackery keep the pair busy! Xander, meanwhile, heads off to find Aubrey, who soon has her chops wrapped around his knob. A great shafting follows, winding up with a creampie before she gets the brush off with a non-disclosure agreement and some lolly! After enticing their maid Vanessa and handyman to put on an anal show in the kitchen, Aubrey returns for the final sting, but not before a corking threesome with the pervy pastors.

CAST
AUBREY BLACK
TORI CUMMINGS
TINA KAY
LOLA MARIE
HONOUR MAY
KIKI MINAJ

It's not just coppers who seem to be getting younger and younger these days - it's also Chancellors of the Exchequer and porn producers' idea of a MILF. OK, so the New Zealand born Aubrey might be well into their 40s, but surely none of the others are. Still, Tori Cummings (not to be confused with Boris's lockdown-dodging mate) looks like she knows her way around a cock from the way she tucks into Jay Snake's old chap! She used to be an air hostess, apparently – I wonder if any lucky punters in First Class ever got this sort of service? Honour May's no MILF, but she doesn't let that stop her getting all wanton when teaming up with Kiki Minaj for a pretty filthy sapphic sesh, complete with toys and a good bit of squirting thrown in for good measure. Lola Marie teams up with Director Tina Kay to share a prick in the next scene, before we stray into genuine MILF territory with Aubrey, who gets bent over the bannister for a boning from Jay before the finale sees Lola and Kiki draining a lucky scamps sac.

TALIA

Age: 34 Vital Stats: 30FF-25-34 5'6"
Photographer: BBM

Well-spoken Talia might hail from a rather smart part of Berkshire, but that doesn't mean she's too snooty to treat lucky *Mayfair* readers to an eyeful of her gorgeous bod!

"Hey! We're not all snooty round our neck of the woods, you know! Just because the Queen happens to have a castle up the road, it doesn't mean the rest of us are all toffs!" she protests, and who are we to argue? So she's never been to a regatta or anything like that, then?

"Well, I have been to a couple, actually, but only because it's great to watch all those sweaty hunks in their tight tops and shorts taking part in the races!"

Honestly, you can't just go around objectifying people like that, you know!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

When the lockdown was announced I'd only been seeing Dan for a few weeks. We'd had a few nights of passion, but hadn't really pulled out all the stops, if you know what I mean. He'd shown some potential as a pussy-licker, so it didn't take me too long to suggest he moved in with me for the duration so we could be one household, with all the benefits that followed. He was keen enough as well – the prospect of not having a shag for weeks if not months wasn't an appealing one for either of us!

I've only got a smallish flat, so he couldn't bring all his stuff with him, but when he rocked up with just one suitcase I was a bit surprised, but he insisted he had everything he needed, and I wasn't going to argue – at least we'd be able to fuck as much as we liked without having to worry about social distancing!

We were both able to work from home for the most part, which meant we had plenty of time to shag in the first few weeks, but then one night as we lay in bed Dan suggested that the lockdown might be the perfect opportunity for us to explore a few kinky avenues together. Well, I'm a pretty open-minded sort of girl, so was happy enough to give it a try, as long as we didn't get into anything too extreme!

I thought it would be fun to try a bit of bondage on him, and Dan couldn't really object, so we did a bit of a search online and found a reasonably-priced beginners' kit that we could get delivered – blindfold, handcuffs and a couple of cock rings, really, along with a few other bits of stuff that might come in handy as well. We clicked on 'Purchase' and had another screw there and then as we were both so turned-on by what we might get up to.

Name: KAY
Age: 24
From: RUSHDEN

Two days later there was a knock at the door and we both knew instantly what it must be. Sure enough, our first kinky delivery had arrived, and so that evening Dan found himself naked, blindfolded and handcuffed, with arms and legs spreadeagled, secured by straps that ran under the mattress. Now I had him in my total control I thought I'd have a bit of fun, and as he lay there, his cock sticking up like a flagpole, I headed back into the living room and helped myself to a glass of wine.

"Kay, are you there?" I kept hearing from the bedroom. "Hello, is anyone there?!" His pleading got more and more desperate until, as I poured myself a second glass, I called out that the more he called out, the more he'd have to wait. He let out a groan and then, finally, fell silent, waiting patiently for his mistress to attend to him. Instead, while I finished my second glass, I attended to myself a bit, slipping a hand inside my knickers and teasing my clit, getting my juices flowing in anticipation of what was to come.

Finally, when I deemed he'd been quiet for long enough (it was probably only about 10 minutes) I topped up my glass and headed to the bedroom. When Dan heard the door opening I saw his head jerk up, listening intently, but I didn't say a word.

> "FLICKING A LEG OVER HIS HEAD, I LOWERED MY NOW STEAMING CUNNY DOWN OVER HIS FACE."

His cock, which was now more or less dormant, gave a little twitch, but instead of going straight for that I took a swig of the wine and, placing the glass carefully by the bed, leant over his face. As my lips touched his he opened them hungrily, eager for a kiss – which he got, my tongue and some of the wine sliding into his mouth.

When I pulled away and looked down, I saw his prick was rapidly throbbing back to life, and while I was keen to get my hands on it, I wanted to make the most of the situation first. I told Dan to get ready for some more wine and he opened his mouth, his tongue sticking out to catch every drop... but instead of giving him any I tugged my knickers to one side and, flicking a leg over his head, lowered my now steaming cunny down over his face.

He must have smelt my musky aroma before I made contact, because I heard him gasp just before I felt his tongue slide into my slot. His body convulsed a bit as he set about lapping up juices that were oozing from my lips. Leaning forward, I ground my clit down, rubbing it against his nose until he switched his attention to it, nibbling and sucking at my tender bud, sending waves of pleasure through my body.

I had him exactly where I wanted him – and Dan was never averse to a spot of cunnilingus even when he had a say in the matter! He strained every muscle to pleasure me, and it wasn't long before I clamped my thighs around his head and treated him to a torrent of my come as I climaxed hard, coating his mouth and much of his face in a shiny layer of cunny cream.

Once I'd regained my composure I clambered off and, taking another mouthful of wine, surveyed my lover, whose poor cock, looking thicker and longer than I'd ever seen it, was glistening with pre-come and just begging to be ridden. I knew, though, that he'd be on a hair trigger by now, whereas I wanted a nice long fuck, so instead of climbing on I just grabbed hold of his shaft

> "I SURVEYED MY LOVER, WHOSE POOR COCK, LOOKING THICKER AND LONGER THAN I'D EVER SEEN IT, WAS GLISTENING WITH PRE-COME..."

and, lowering my head, started to tease his helmet with the very tip of my tongue.

Dan jerked his hips up, eager to push his prick into my mouth – but I was the one controlling the pace here, and I just moved my head away every time he tried this. His cockhead was glistening with his pre-come and my saliva, and finally, after running my tongue round his glans a few more times, I sucked it into my mouth, feeding his thick pole further and further towards my throat. Cupping his balls, I knew I'd be getting a mouthful of come soon, and sure enough, after I'd bobbed my head up and down a dozen or so times he let out a long groan and I felt thick jest of his salty come splash against the roof of my mouth.

I gulped most of it down, but there was so much I thought I'd treat Dan to a taste as well, so moving back up his body, I snaked my tongue back into his mouth and let him taste his own jizz. We'd never done anything like that before, but he was in no position to object… and besides, from the way his cock stayed rock hard after his climax, it was pretty clear he was turned-on by the whole thing.

"I SWUNG MY LEG OVER HIS BODY AND, GRIPPING HIS PRICK WITH MY HAND, RUBBED THE TIP BETWEEN MY SODDEN LIPS…"

By now my pussy was desperate for a god shag, and Dan was most definitely up for it, so I swung my leg over his body and, gripping his prick with my hand, rubbed the tip between my sodden lips before slowly lowering myself down onto it. The feeling as his thick pole slid into me was delicious, and I ground myself down hard onto him until I came to rest against his balls.

"MY PUSSY CLENCHED ROUND DAN'S SHAFT AS I DRENCHED HIM WITH ANOTHER FLOOD OF MY JUICES."

Leaning forward, I put my hands on his chest and began to ride him like a bucking bronco, jerking my hips forward and back and making the most of every inch of his prick. I've always loved being on top, but seeing Dan beneath me, totally at my mercy, made me feel super-horny. It was like he was some sort of toy, purely there for my pleasure, although he seemed to be enjoying himself well enough if the groaning he was making was anything to go by.

Grinding my hips back and forth, I pinched and rolled my sensitive nipples between my fingers, which always brings my orgasm that much closer, and before long it hit, my pussy clenching around Dan's shaft as I drenched him with another flood of my juices.

My second orgasm's always more intense than my first, and it took me quite a while to fully recover from it, but eventually I realised that Dan would probably be ready to come again.

My clit was too sensitive to keep riding him now, so I clambered off, his slick prick slipping from my sodden snatch, and grabbed it in my hand and started wanking it furiously. It glistened in my fist as I pumped it up and down until, within a minute or so, Dan let out a final jerk and another cascade of jizz spurted from his shiny prick, covering his smooth belly with thick gobbets.

I squeezed out every drop and then, unable to resist, licked him clean, working my way up his body until I reached his head. As I pulled off his blindfold, Dan grinned up at me.

"Fuck me, that was incredible!" he said, and I had to agree. We've had plenty of variations on the theme since then, and we've been keeping the delivery guy pretty busy as well!

My boyfriend always buys *Mayfair* as he prefers your babes to any of the other mags, whereas, for me, as long as there are some nice dirty stories to frig myself over, I'm a happy bunny.

Graham is always going on at me to make a mucky home movie with him and I would love to have done one but I've always turned him down as I can't help thinking he'll just give copies to his friends and within a week half the people I know will be jerking off over my tits and pussy while he's shagging me from behind, grinning like an idiot into the camera.

The other day though, while I was having a sly wank in the bath, I had a great idea that would make Graham's day but probably stop him from showing my body off to all and sundry.

Name: LENA
Age: 32
From: YORK

I'd been chatting to Jane, my best friend, and we were discussing the topic of getting dirty for the camera, when I suddenly had my brainwave. Do a smut film but make it look like another guy was filming it as he would never dare show it to his mates and it would make him as jealous as hell… until I came clean of course!

Jane agreed to be camerawoman and she could provide one of those realistic latex dildos that are molded from a real guys prick. As this one was about eight inches long and had a totally different skin tone to Graham, it was absolutely perfect for the task.

Last week, when Graham was out with his mates, Jane came over and I dressed up in my sexy black basque, stockings, high heels and did my make-up as tarty as I could.

We started with the camcorder on a tripod, with Jane trying to stifle her giggling as I sat back in the armchair and wriggled my satin mini-skirt slowly up my thighs while staring into the lens. I kept licking my lips like the porn actresses do as I opened my legs and slid my hand over my hairless pussy.

"Do you like what you see, darling?" I purred at the camera. "What would you like to see me do for you, baby?"

I used two fingers to open up my slit and pushed a finger inside before pulling it clear and raising the juice-coated digit to my mouth. As I sucked the goo off my finger like a slut, I realised my filthy display was turning me on more than I thought it would and, ramping things up, I slid my arse down in the chair and lifted my pointed heels high in the air.

"I want your dick," I moaned huskily, and pushed three fingers straight into my hole, working them in on my come until they were buried right up to the hilt.

Nicely lubricated, I then used them on my bumhole, a favourite of Graham's. First I tickled the taut little entrance and then inserted a finger inside, rubbing my clit with the palm of my other hand at the same time.

Out of the corner of my eye, I could see that Jane had undone her jeans and was delving into her own twat as she watched.

This turned me on even more, and with a loud yell I climaxed, my thighs quivering with lust as the goo oozed out of my cunny and dribbled into the crack of my arse, allowing me to shove another finger into my arsehole.

"Time for some of your cock, darling," I groaned as the waves of orgasm subsided. Taking her cue, and the camcorder, Jane moved over towards me, continuing to film my squirming body as I eased my boobs out of the basque and sat forward on the seat.

She held the fake dick out at about crotch height and with a grin towards the lens, I took the big knob into my mouth and began to suck it, taking care to keep the base just out of shot.

Jane held it against her pussy and started to thrust her hips gently towards me for added realism as I wrapped my lips around it's girth and pretended to wank the shaft with one hand while squeezing my tits together with the other. I looked up, as if staring into my imaginary lover's face, and slid the convincing cock from my mouth.

Even though I knew it was just a rubber toy, the copious amounts of stringy spittle clinging to its veined surface made me want it up me and I twisted around in the chair so my bum stuck up in the air. Reaching behind me, I spread my glistening wet arse cheeks and gestured at Jane to give it to me in the butt. She pressed the bulbous tip against my hole and pushed forward, zooming in so the screen would be filled with arse and prick.

I yelped as the knob entered my rear but as Jane expertly shoved the entire length up me, waves of delicious pleasure coursed through my crotch, and when she slid it all the way out again I was already begging for its return. With my fingers embedded in my snatch as well and my thumb jammed against my clit, I came after three more thrusts and collapsed in a heap in the chair.

After I'd recovered, Jane and I watched the film back and both got incredibly horny as I fucked and sucked my mystery lover. I even got to use the rubber monster on Jane's sodden pussy while we watched our very own porn film together, which was a new thrill for me.

To be honest, our little skinflick is so damned realistic that I haven't dared show it to Graham as I reckon he simply won't believe that it's a faked fuck. It's certainly made my wanks more fun though and if Graham ever fucks me off, boy, is he in for a shock!

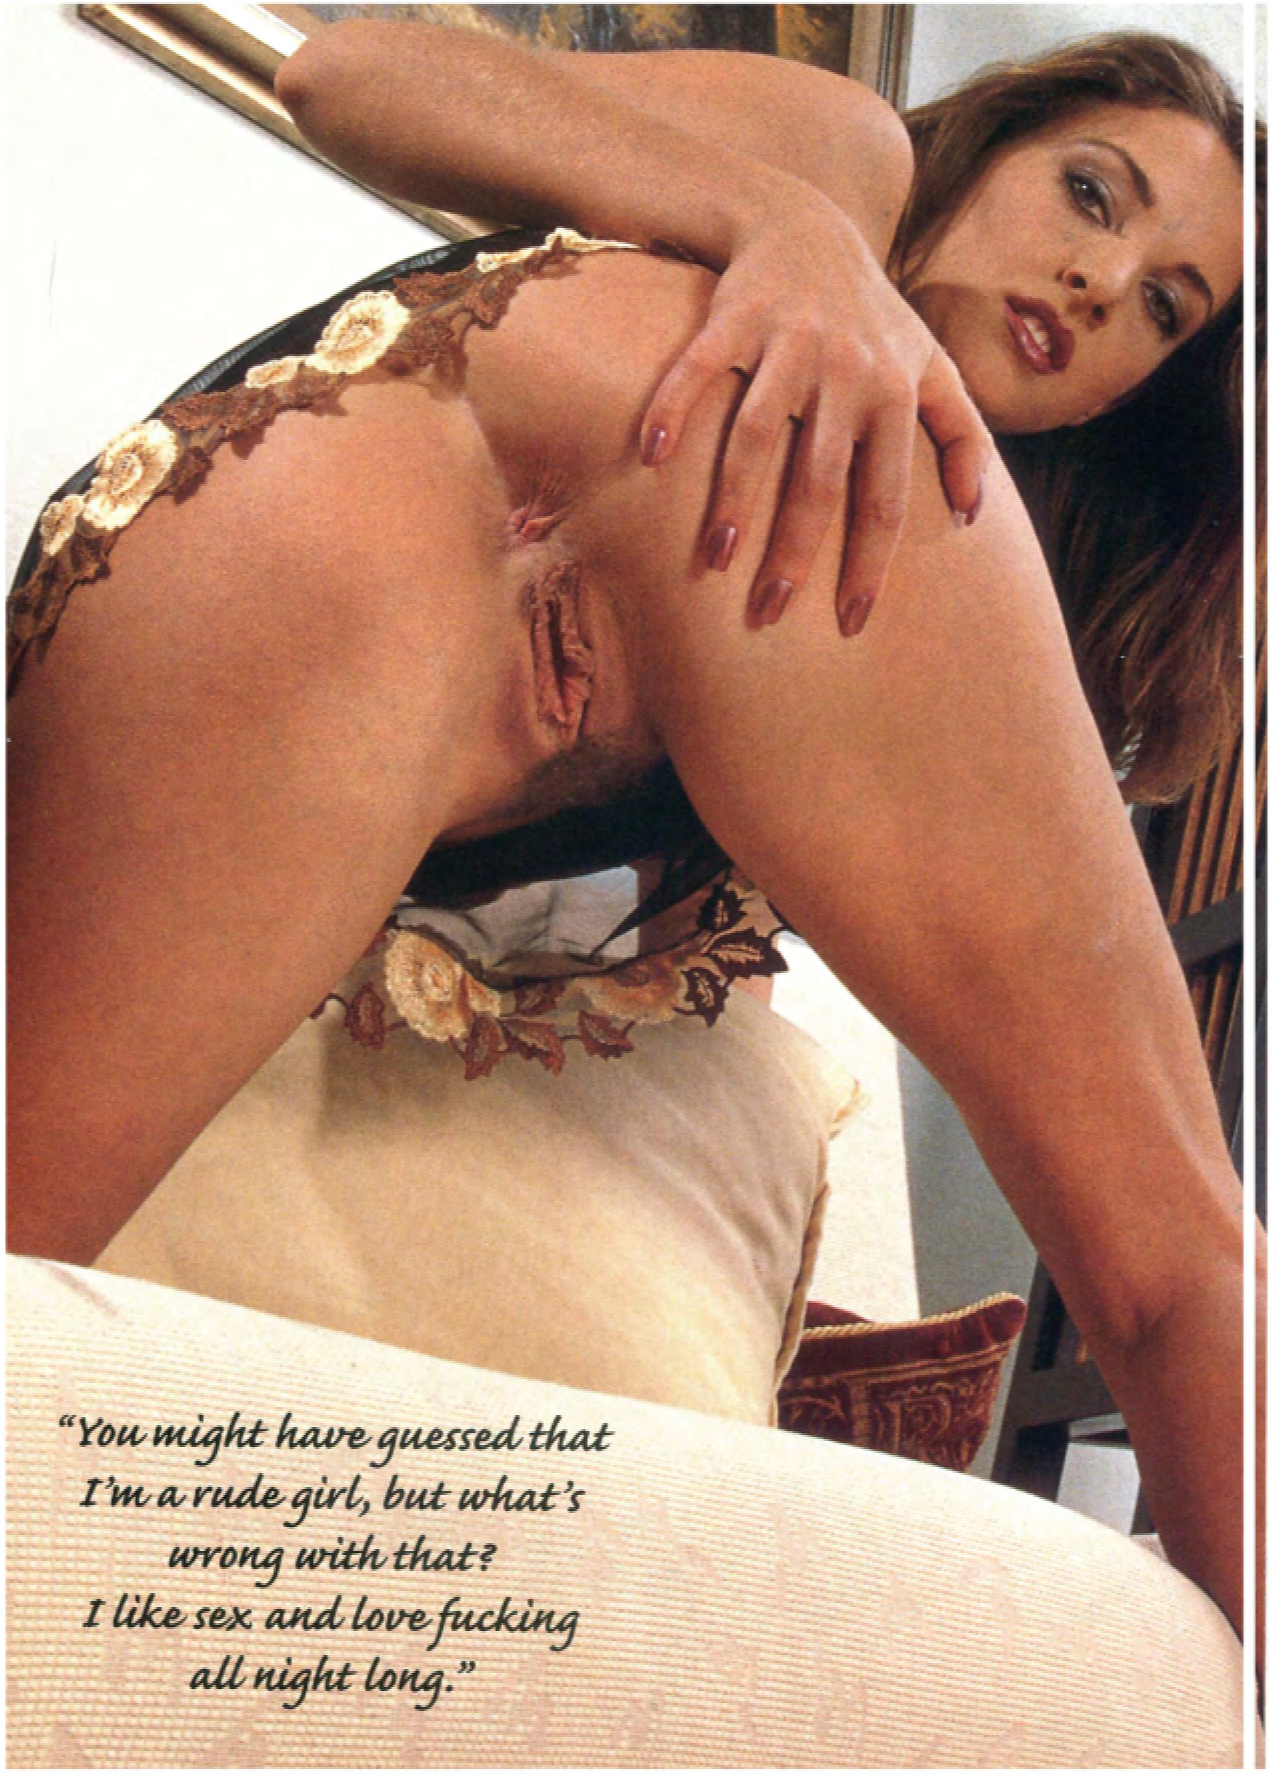
> *"I like to see how far I can push a finger inside me. I can take a pretty long cock."*

ESTELLE

Classic MAYFAIR

As you can see from this spread, blurbs were a bit out of fashion in Mayfair 18 years ago, with just a couple of saucy quotes having to do the job – which doesn't leave me much to hang this on. Still, Estelle's and her neatly trimmed fanny are more than enough to make up for any shortfall in the word count, don't you think?



"You might have guessed that I'm a rude girl, but what's wrong with that? I like sex and love fucking all night long."

MAYFAIR

Vol.55 No.06

On Sale Sept 16th

2020's shaping up to be a challenging year alright, with plenty of sectors struggling in the face of the pandemic. You can't turn on the news without being faced with one grim story after another, and here at *Mayfair* we'd doing our level best to make sure there's at least one bright point to look forward to now and again. Mind you, it's not like it's too much of a sacrifice for us, especially compared to plenty of others out there, because it's always a thrill to be surrounded by such beauty – as you'll be reminded yet again next issue with lovelies like Lena and Rosa!
